Saturday, May 20, 2023

Join us for a Tracking Workshop

Join professional wildlife tracker and mountain lion researcher Phil Johnston for a day in the woods learning to read the stories of wild animals through tracking. Phil has over a decade of experience teaching tracking and is certified as Senior Tracker through Tracker Certification North America. Come learn to identify the tracks and signs of the many charismatic creatures who make their living in the Eastern Sierra. These spots fill up quickly!

Sign Up for
Workshop

A graphic for 'Wildlife Tracking Workshops with Phil Johnston'. The background is a light orange color. On the left, there is a stylized graphic of concentric circles in shades of orange and green. The text 'WILDLIFE TRACKING WORKSHOPS' is written in a bold, green, sans-serif font. Below it, 'WITH PHIL JOHNSTON' is written in a bold, orange, sans-serif font. In the center, there is a photograph of a group of people, including Phil Johnston, kneeling on the ground in a field, looking at something on the ground. To the right of the photo, there is a dark orange shape containing the text 'MAY 27' and '9AM- 3:30 PM' in white. At the bottom left, there is a dark orange shape containing the text '\$35 ADULTS' and '\$10 CHILDREN' in white. At the bottom right, there is a stylized graphic of a hand or leaf in shades of orange and green. The location information 'Location: Bishop Area (Varies by season and will be shared after sign-up.)' is written in a brown, sans-serif font at the bottom center.
